Patches ordered by Scouts will be distributed. Examples of equipment provided by Council will be on display.

Dr. Nahlik will conduct the Medical Rechecks starting at 11:00 p.m. We must have every Scout's and Leader's health form since we have to mail these to the National Office by May 1<sup>st</sup>.

We will make a computerized Iron-On for transfer to T – Shirts. We ask that each troop bring 2 irons and iron boards for everyone's use. Our goal is to produce a full color version of the patch design and include Troop Numbers on the design. Even if your troop will have T-shirts done elsewhere you are welcome to have your Scouts bring two T-shirts. We will provide two iron-on transfers per Scout and Leader.
